

## North Shore Table Tennis Club

### ■ OFFICIAL CLUB NOTICE – INDOOR SHOES REQUIRED ■

Dear Members,

As winter approaches, we are introducing an important policy to protect our gym floor and ensure the safety of all players.

- **Table Tennis shoes or proper indoor gym shoes** are now mandatory at our club.
- Shoes must be **non-marking and non-slippery** to protect the floor and reduce risk of injury.
- A **second pair of clean indoor shoes** must be brought and changed into before entering the playing area.

This policy helps us keep the floors dry, clean, and safe for everyone during the winter season.

**Thank you for your cooperation in keeping our playing environment safe and enjoyable for all!**
